

St. George Astronomy Group Star Party Request Form

The St. George Astronomy Group ("SGAG") is an all-volunteer organization established in 2014. When feasible, SGAG will host star parties at the request of schools and other organizations.

Please complete the following form and return it to SGAG if you'd like the club to host a star party for your organization. SGAG will inform you as soon as possible if your request can be scheduled and staffed by the club. Please note that as SGAG is an all-volunteer organization, when a star party is scheduled it is at club member's expense to bring their telescopes and other equipment to your organization's event. Further, the number of attendees from your organization determines the number of club members that will be asked to support the event. Accordingly, if SGAG is unable to secure a sufficient number of club members who agree to attend your star party, the event may be canceled or rescheduled at the sole discretion of SGAG.

Finally, inclement weather on the night of your event will cancel the star party, so please consider having a back-up plan in case this happens.

Name of your organization:

Requested date of star party:

Contact person:

Email address:

Organization phone #:

Emergency cell #:

Location of star party (note: SGAG can offer suggestions if needed):

Location where SGAG volunteers should set up their telescopes (exact location and directions how to get there):

Time of day requested Start Time:

End Time:

Number of attendees expected at star party:

Age range of attendees:

Number of children attending:

Number of adults attending:

Sprinklers turned off on the star party date if setting up on/near: OFF ON

This is very important to prevent volunteers' telescopes and equipment from being ruined. You or the organization you represent, agree to be financially responsible for any water damage to the members' equipment should the sprinklers, for whatever reason, turn on while equipment is set up on or near an irrigated area that you or the organization control.

Outside building/parking lights near the telescopes turned off: OFF ON

Restrooms available for use: YES NO

Gates open to observing area 1-2 hours before star party begins: YES NO

Expectations you have of SGAG coming to your star party:

SGAG is a 501(c)(3) non-profit corporation and does greatly appreciate donations for hosting star parties, as the funds are used by the club to further promote astronomy and the other purposes of SGAG, but donations are not required.

In consideration for requesting SGAG to host a star party (the "activity"), you, on behalf of yourself, your organization, and all attendees from your organization (hereinafter referred to as "releasers"), hereby release, waive, hold harmless, discharge and covenant not to sue St. George Astronomy Group, its directors, officers, agents, servants, members or volunteers (hereinafter referred to as "releasees") from any and all liability, claims, demands, actions and causes of action whatsoever arising out of or related to any loss, damage, or injury, including death, that may be sustained by releasers, or any of the property belonging to releasers, whether caused by the negligence of the releasees, or otherwise, while participating in the activity, or while in, on, or upon the premises where the activity is being conducted.

Date:

Save this form to file, email it to EVENTS@SGAG.CLUB

We will ask for a signed copy before the event is scheduled if it is determined that the SGAG is able to support your star party request. If you don't have access to a scanner for the boiler plate signature lines, we will send you a USPS address. Just ask.
